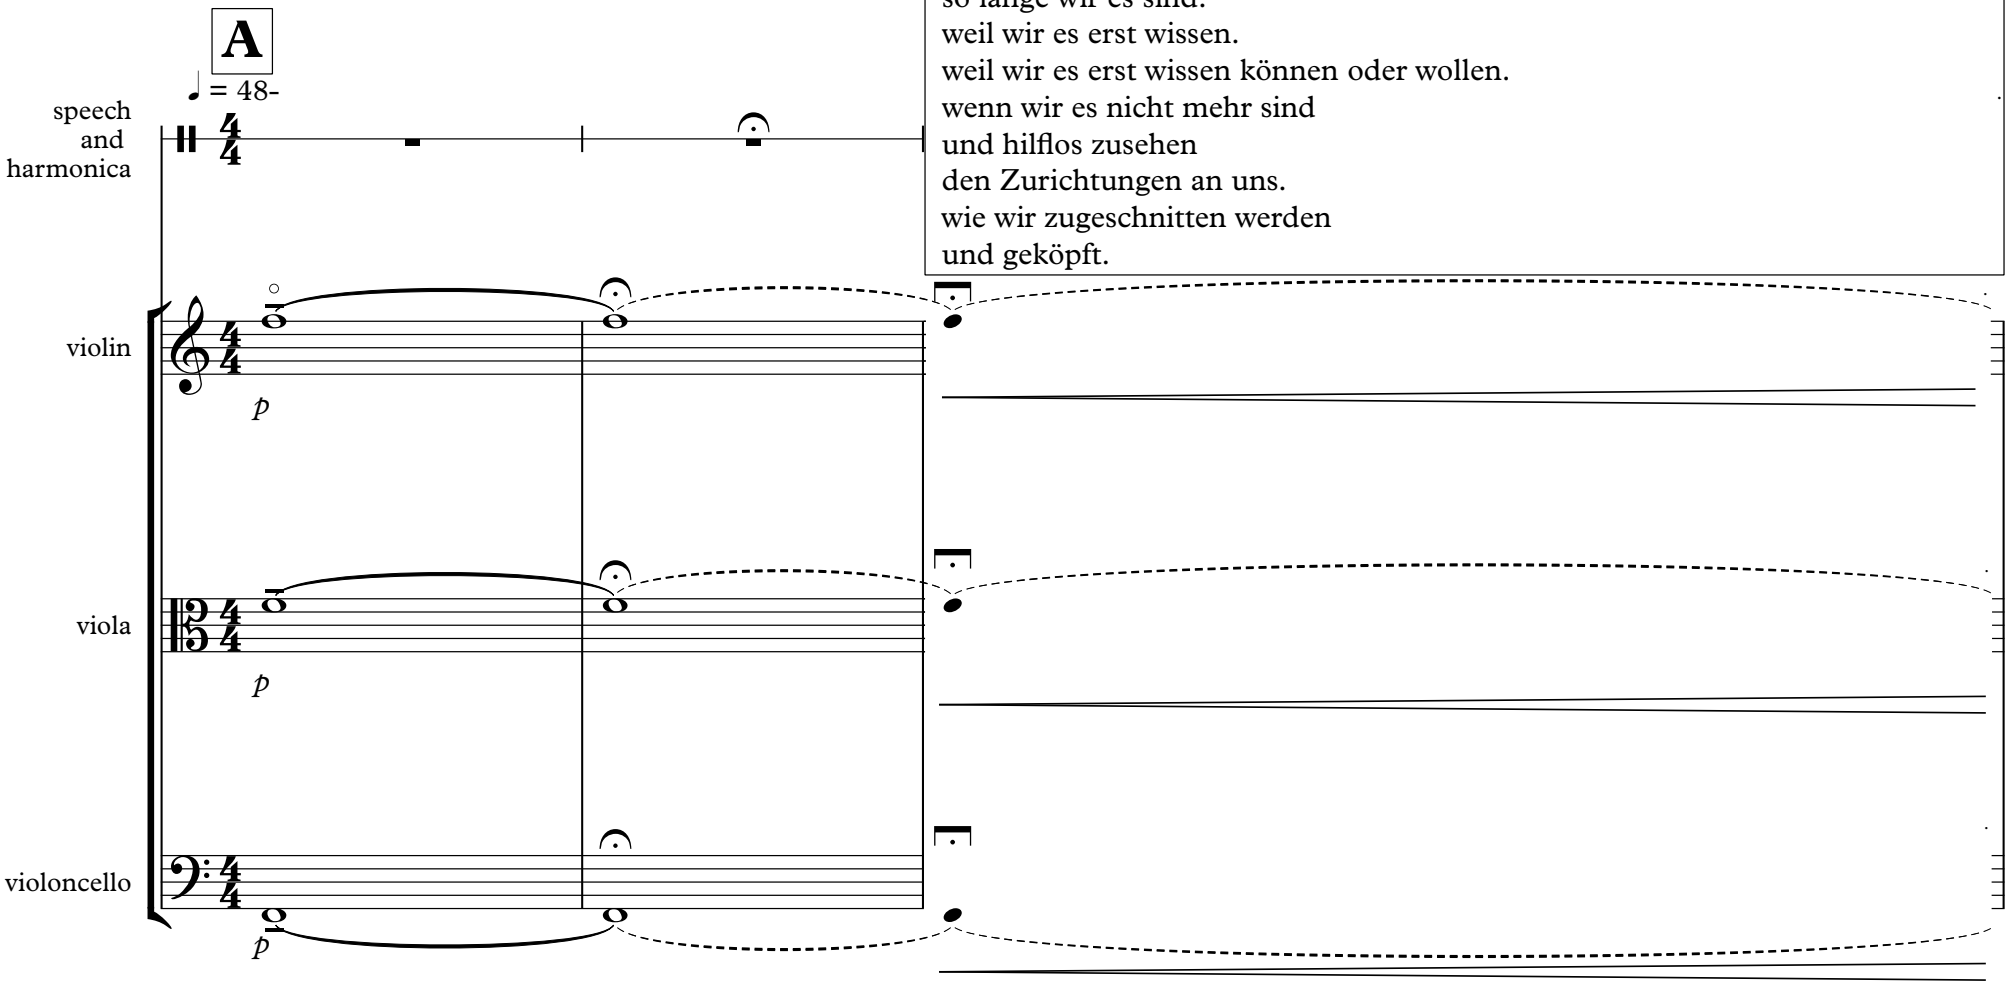
wir wissen es nicht
und das ist unsere Schuld.
gemeinsam.
weil wir einander nicht lieben.
und uns selbst nicht.
weil wir es nicht wissen.
weil wir es nicht wissen können oder wollen.
wie frei wir sind,
so lange wir es sind.
weil wir es erst wissen.
weil wir es erst wissen können oder wollen.
wenn wir es nicht mehr sind
und hilflos zusehen
den Zurichtungen an uns.
wie wir zugeschnitten werden
und geköpft.

wenn wir nicht mehr frei sind,
und es wissen müssen
und es nicht wußten,
so lange wir frei waren.



* in january 2025 gorji marzban suggested the title "solange wir noch frei sind" to marlene streeruwitz and i, for a prospective work.
as events further developed soon after, including ocurance of another war which left the dictator in power, the present wording appeared necessary. r.n.

Taliban Condemns Israeli Strikes on Iran as 'Violation of International Law'

In a statement posted on X, Taliban chief spokesperson Zabihullah Mujahid said the attack violated core principles of international law, particularly the sovereignty and territorial integrity of states. The Taliban has strongly condemned Israel's recent airstrikes on Iran, calling the attack and the killing of Iranian military commanders and nuclear scientists a "blatant violation of international law."

Mujahid also denounced Israel's ongoing military campaign in Gaza, calling it "relentless and catastrophic," and accused the Israeli government of ignoring humanitarian and international legal standards. "The occupying regime persists in its violent actions with blatant disregard for humanitarian and international legal norms," he said. Mujahid called on all parties to act responsibly to avoid further instability and to help maintain peace and security in the region.
